Effect of global recession on textile industry

†1084. DR. MURLI MANOHAR JOSHI:
SHRI RAM JETHMALANI:

Will the Minister of TEXTILES be pleased to state:

(a) whether it is a fact that the ill effect of global recession has been casted on the textile industry of the country;

(b) if so, the assessment of effects of this recession to be casted on the volume of production in the textile industry;

(c) whether Government has prepared any action plan to the textile industry from the said ill effects; and

(d) if so, the details thereof?

THE MINISTER OF STATE IN THE MINISTRY OF TEXTILES (SHRI E.V.K.S. ELANGOVAN): (a) and (b) As per the latest data (provisional) available from the Office of Textile Commissioner, cloth production in the mill and hosiery sectors, have witnessed growth of 3.7 percent and 3.1 percent respectively, during April-October 2008 over the corresponding period of the previous year. Yarn and cloth production in other sub-sectors a moderate decline.

Textiles exports, in US dollar terms, have recorded a growth of 9.28 percent and 15-59 percent during 2006-07 and 2007-08 respectively. During April-July, 2008-09, textiles exports increased by 14.89 percent, over the corresponding period of the previous year. Month-wise textiles exports are given in the table below:

(in US$ million)

2008	January	February	March	April	May	June	July
Textiles Exports	2204.67	2119.89	2295.08	1980.31	1833.17	1821.20	1766.41
RMG only	875.49	894.62	897.08	820.36	795.81	823.62	792.73

†Original notice of the question was received in Hindi.

A declining trend is witnessed in the exports of textiles. This can primarily attributed to decline in imports of textiles and clothing by US and EU countries, which are major markets for India's textile export.

(c) and (d) To mitigate the ill effects of the global economic slow down the Government have introduced a number of measures, which include enhanced Duty Entitlement Pass Book and Duty Drawback rates, reduced ECGC premium, subvention on credit rates, refund of service tax paid by exporters on various services etc.
